PROXY STATEMENT
PEOPLE'S UTAH BANCORP
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 22, 2019

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the "Board of Directors" or the "Board") of People's Utah Bancorp, a Utah corporation (the "Company" or "PUB"), for use at the annual meeting of the shareholders (the "Annual Meeting") to be held May 22, 2019 at the Historic American Fork City Hall, located at 31 North Church Street, American Fork, Utah 84003 at 8:00 a.m., Mountain Daylight Time. Directions to the annual meeting can be obtained by calling PUB at (801) 642-3998.

THIS PROXY STATEMENT, THE NOTICE OF ANNUAL MEETING OF SHAREHOLDERS AND FORM OF PROXY ARE FIRST BEING MAILED TO THE COMPANY'S SHAREHOLDERS ON OR ABOUT APRIL 15, 2019.

At the Annual Meeting, the shareholders of the Company will be asked to vote on two proposals:

- Proposal 1—The annual election of three directors to serve on the Company's Board of Directors.
- Proposal 2—The ratification of the selection of Moss Adams as the Company's independent registered public accountants for the fiscal year ending December 31, 2019.

A proxy for use at the Annual Meeting is enclosed. If you execute and deliver a proxy by mailing a proxy card, or by voting via the Internet or telephone, you have the right to revoke your proxy at any time before it is exercised by delivering to the Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Subject to revocation, the proxy holders will vote all shares represented by a properly executed proxy received in time for the Annual Meeting in accordance with the instructions on the proxy. If no instruction is specified with respect to a matter to be acted upon, the shares represented by the proxy will be voted **FOR** all nominees listed in Proposal 1 and **FOR** the ratification of the selection of Moss Adams, the Company's independent registered public accountants for the next year.

We will bear the expenses of preparing, assembling, printing and mailing this Proxy Statement and the materials used in the solicitation of proxies. Proxies will be solicited through the mail and may be solicited by our officers, directors, and employees in person or by telephone. They will not receive additional compensation for this effort. We do not anticipate paying any compensation to any other party for the solicitation of proxies, but may reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to beneficial owners.

RECORD DATE AND QUORUM REQUIREMENTS

March 29, 2019 has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 18,797,280 common shares were issued and outstanding. Each outstanding common share will be entitled to one vote on each matter submitted to a vote of the shareholders at the Annual Meeting.

A majority of the holders of the common shares outstanding on the Record Date, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting and at any adjournment or postponement thereof. Any abstentions and broker non-votes will be deemed as present for purposes of determining a quorum at the Annual Meeting.

For Proposal 1, the three candidates receiving the highest number of affirmative votes of the shares entitled to vote at the Annual Meeting will be elected as directors. Abstentions and broker non-votes will not have the effect of being counted as voted in favor of or against the election of directors.

Proposal 2 will be approved if the votes cast in favor of the proposal exceed the votes cast opposing the action. Abstentions will have the same effect as votes against the proposal. Because Proposal 2 is a routine matter, we do not expect any broker non-votes for this proposal.

Common shares represented by proxy that reflect abstentions or “broker non-votes” (which are common shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. However, broker non-votes will not be voted on proposals on which a broker or other nominee does not have discretionary authority to vote under the rules of the New York Stock Exchange (the “NYSE”). If a shareholder holds common shares in street name and does not direct a broker or nominee how to vote such common shares, the shareholder’s broker or nominee may vote the shares only on those proposals for which it has discretion to vote. Under the rules of the NYSE, a broker or nominee does not have discretion to vote common shares on non-routine matters.

VOTING PROCEDURES

To vote by mail, you should complete, sign and date your proxy card and mail it in the pre-addressed postage-paid envelope that accompanies the delivery of the proxy card. A proxy card submitted by mail must be received by the time of the Annual Meeting in order for the shares to be voted.

The telephone authorization procedure is designed to authenticate identity to allow you to vote your shares and confirm that your instructions have been properly recorded. Specific instructions to be followed are set forth on the enclosed proxy card. Telephone voting facilities for shareholders of record are available 24 hours a day and will close at 5:00 p.m. Eastern Time on May 21, 2019.

The internet authorization procedure is designed to authenticate identity to allow you to vote your shares and confirm that your instructions have been properly recorded. Specific instructions to be followed are set forth on the enclosed proxy card. Internet voting facilities for shareholders of record are available 24 hours a day and will close at 5:00 p.m. Eastern Time on May 21, 2019.

People’s Utah Bancorp (“PUB” or the “Company”) is a Utah registered bank holding company organized in 1998. The Company operates all business activities through its wholly-owned banking subsidiary, People’s Intermountain Bank (“PIB” or the “Bank”). Products and services are offered primarily through 26 retail branches located throughout Utah and southern Idaho. PIB has three banking divisions, Bank of American Fork (“BAF”), Lewiston State Bank (“LSB”), and People’s Town & Country Bank (“TCB”); and a mortgage division, People’s Intermountain Bank Mortgage (“PIM”). Prior to the formation of PUB, BAF operated as a stand-alone entity. PROPOSAL 1: ELECTION OF DIRECTORS

At the Annual Meeting, three directors are to be elected to serve until the third annual meeting following his or her election or until his or her successors are duly elected and qualified, or until the death, resignation, or removal of such director. It is intended that the proxies will be voted for the three nominees named below for election to our Board of Directors unless authority to vote for any such nominee is withheld. Each of the nominees is currently a director of the Company, other than Ms. Gochmour. Each person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable or will decline to serve. In the event, however, that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current Board of Directors to fill the vacancy. Unless otherwise instructed, the proxy holders will vote the proxies received by them **FOR** the nominees named below. The three candidates receiving the highest number of affirmative votes of the shares entitled to vote at the Annual Meeting will be elected as directors.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS OF THE COMPANY VOTE **FOR** THE ELECTION OF ALL THE DIRECTOR NOMINEES LISTED ABOVE.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

We are asking the shareholders to ratify the selection of Moss Adams LLP (“Moss Adams”) as the Company’s independent registered public accountants for the fiscal year ending December 31, 2019. Its representatives will be present at the Annual Meeting, and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. A majority of the votes present in person or represented by proxy at the Annual Meeting is required to ratify the selection of Moss Adams. Abstentions will have the same effect as votes against the proposal. Broker non-votes will have no effect on the vote for this proposal.

In the event the shareholders fail to ratify the appointment, the Audit Committee will consider it as a direction to select other auditors for the subsequent year. Even if the selection is ratified, the Company’s Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change would be in the best interest of the Company and its shareholders.

As previously disclosed in the Company’s current report on Form 8-K filed with the SEC on April 3, 2018 (the “Auditor Current Report”), following a competitive review process of independent registered public accounting firms, on March 28, 2018 the Audit Committee dismissed Tanner LLC (“Tanner”) as the Company’s independent auditor, effective after the filing of the Company’s first quarter Form 10-Q. Tanner audited the Company’s financial statements as of December 31, 2017 and 2016 and for the three years ended December 31, 2017. The audit reports of Tanner on the Company’s consolidated financial statements for each of the two most recent fiscal years ended December 31, 2016 and 2017 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2016 and 2017, and the subsequent interim period through March 28, 2018, there were: (i) no disagreements within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions between the Company and Tanner on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Tanner’s satisfaction, would have caused Tanner to make reference thereto in their reports; and (ii) no “reportable events” within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The Company provided Tanner with a copy of the disclosures in the Auditor Current Report prior to its filing with the Securities and Exchange Commission (the “SEC”). The Company requested that Tanner furnish it with a letter addressed to the SEC stating whether Tanner agrees with the statements made by the Company regarding Tanner in this Report and, if not, stating the respects in which it does not agree. A copy of Tanner’s letter dated March 30, 2018 to the SEC was filed as Exhibit 16.1 to the Auditor Current Report.

In addition, as disclosed in the Auditor Current Report, on March 28, 2018, the Audit Committee made the decision to engage Moss Adams as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018. During the years ended December 31, 2016 and 2017, and during the subsequent interim period through March 28, 2018, neither the Company, nor anyone on its behalf, consulted Moss Adams regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report nor oral advice was provided to the Company that Moss Adams concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, or (ii) any matter that was either the subject of a “disagreement” (as defined in Regulation S-K Item 304(a)(1)(iv)) or a “reportable event” (as defined in Regulation S-K Item 304(a)(1)(v)).

PRE-APPROVAL POLICIES

The Audit Committee pre-approved all audit, audit-related, and non-audit services performed by our independent auditors and subsequently reviewed the actual fees and expenses paid to Moss Adams during the year ended 2018, and to Tanner during the year ended 2017. The Audit Committee has determined that the fees paid to the auditors for services are compatible with maintaining their independence as our auditors.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The following table presents fees for professional services rendered by Moss Adams for 2018 and Tanner for 2017.

	2018	2017
Audit fees ⁽¹⁾	\$ 284,026	\$ 242,223
Audit related fees ⁽²⁾	26,855	23,503
Tax fees ⁽³⁾	-	-
	<u>\$ 310,881</u>	<u>\$ 265,726</u>

- (1) Audit Fees consist of fees billed for the audit of the Company's annual financial statements, reviews of the financial statements included in our quarterly reports on Form 10-Q, audits of internal controls as required pursuant to Sarbanes Oxley, and services in connection with the Company's various statutory and regulatory filings.
- (2) Audit related fees consist primarily of audits of the Company's employee benefit plan.
- (3) There were no fees incurred by either Moss Adams or Tanner for tax services. The Company uses a third party other than Moss Adams or Tanner for tax preparation services.

All services noted above were approved in advance by the Company's Audit Committee in accordance with the requirements of the Audit Committee Charter.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed our audited financial statements with management and has discussed with Moss Adams the matters required to be discussed by Statement on Auditing Standards No. 1301, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from Moss Adams required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountant's communications with the Audit Committee concerning independence, and has discussed with Moss Adams its independence from us.

Based on its review, the Audit Committee recommended to the Board of Directors that the audited financial statements for our fiscal year ended December 31, 2018 be included in our Annual Report on Form 10-K for our fiscal year ended December 31, 2018.

Composition and Classification of Our Board of Directors

Our Amended and Restated Bylaws currently allow for up to fifteen seats on our Board of Directors, eleven of which are currently authorized by our Board. Pursuant to our Articles, our directors are divided into three classes serving staggered three-year terms. Class I, Class II, and Class III directors serve until our annual meetings of shareholders in 2020, 2021 and 2022, respectively. At each annual meeting of shareholders, upon the expiration of the term of a class of directors, the successor to each such director in the class will be elected to serve from the time of election and qualification until the third annual meeting following his or her election and until his or her successor is duly elected and qualified. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors serving on our Board of Directors.

Our Board of Directors is currently led by its chairman, Richard T. Beard. We believe it is currently in the best interest of the Company and its shareholders to have a person other than our Chief Executive Officer serve in such capacity, although our

Board of Directors has not adopted a policy with regard to whether the same person should serve as both the chairman and Chief Executive Officer. Our Board of Directors believes it is most appropriate to retain the discretion and flexibility to make such determinations at any given point in time in the way that it believes best to provide appropriate leadership for the Company at that time. We have determined that our current separation of the roles of chairman and Chief Executive Officer is appropriate given the differences in the roles and duties of the two positions and the individuals currently serving in these positions.

Meetings of the Board of Directors and Its Committees

During 2018, our Board of Directors held 12 regular meetings, two special meetings, and one strategic planning meeting. No incumbent director attended fewer than 75% of the total number of Board meetings held during the period for which such director has been a director and committee meetings of which such director was a member. We do not have a formal policy requiring directors to attend the annual shareholders meeting; however, 11 of the 12 directors attended the 2018 annual meeting of shareholders held on May 23, 2018.

Corporate Governance

We will continue to focus on good corporate governance practices. NASDAQ rules define who may be considered an “independent” director and require independent directors to meet periodically in executive session. In addition, PUB has a Code of Ethics and Business Conduct, which is available on our website at www.peoplesutah.com or by contacting Mark K. Olson, PUB’s Chief Financial Officer, at (801) 642-3998. Further actions to enhance our corporate governance mechanisms will be taken as required by law and the exchanges upon which our shares are listed, or as otherwise deemed necessary or appropriate by the Board of Directors, with a continuing focus on high standards of corporate governance.

Independence of Directors

Under the listing requirements of The NASDAQ Capital Market, a majority of our Board of Directors must be comprised of independent directors. Our Board of Directors has determined that a majority of our directors are independent as defined under NASDAQ Stock Market Rules.

Our Board of Directors conducts an annual review of director independence. During this review, our Board of Directors considers transactions and relationships during the prior year between each director or any member of his or her immediate family and PUB and its subsidiaries, affiliates and equity investors, including those reported under “Certain Relationships and Related-Party Transactions” below. Our Board of Directors also examines transactions and relationships between directors or their affiliates and members of senior management or their affiliates. The purpose of this review is to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, our Board of Directors has affirmatively determined that the following directors and director nominee are independent under NASDAQ Stock Market Rules and under PUB’s general standard of independence: R. Brent Anderson; Deborah S. Bayle; Matthew S. Browning; Natalie Gochnour; Dale O. Gunther; Jonathan B. Gunther; Paul R. Gunther; and Douglas H. Swenson. The remaining directors were determined to not be independent.

Director Qualifications

PUB’s corporate governance guidelines contain criteria considered by the Nominating and Governance Committee in evaluating nominees for a position on its Board. All nominees, including incumbent directors, board nominees and shareholder nominees are evaluated in the same manner. Generally, the Nominating and Governance Committee believes that directors should possess the highest personal and professional ethics and integrity and should have broad experience in positions with a high degree of responsibility, corporate board experience and the ability to commit adequate time and effort to serve as a director.

Although we do not have a formal diversity policy, criteria that will be considered include expertise currently desired on our Board of Directors, geography, diversity, finance or financial service industry experience, ethical standards and involvement in the community. The Nominating and Governance Committee also evaluates potential nominees to determine whether they meet the required standard of independence (to ensure that at least a majority of the directors will, at all times, be independent).

Pursuant to our Corporate Governance Guidelines, directors of PUB may not serve on the board of another unaffiliated insured depository institution, bank holding company, financial holding company or thrift holding company having operations in any market area in which PUB or any of its affiliated entities has operations while serving as our director.

Shareholder Nominations

The Nominating and Governance Committee, which is responsible for the nomination of candidates for appointment or election to the Board of Directors, will consider, but shall not be required to nominate, candidates recommended by our shareholders. Generally speaking, the manner in which the Nominating and Governance Committee evaluates nominees for director recommended by a shareholder will be the same as for nominees from other nominating sources. However, the Nominating and Governance Committee will seek and consider information concerning the relationship between a shareholder's nominee and that shareholder to determine whether the nominee can effectively represent the interest of all shareholders. Shareholders wishing to make such recommendation to the Nominating and Governance Committee for its consideration may do so by submitting a written recommendation, including detailed information on the proposed candidate, including education, professional experience and expertise, via mail addressed as follows:

Committees of the Board of Directors

Our Board of Directors has established standing committees in connection with the discharge of its responsibilities. These committees include the Compensation Committee, Nominating and Governance Committee, Audit and Compliance Committee, Enterprise Risk Oversight Committee, and Fintech Committee. Our Board of Directors also may establish such other committees, as it deems appropriate, in accordance with applicable law and regulations and our corporate governance policies. Information with respect to each of these committees is set forth below.

Compensation Committee. The Compensation Committee consists of Douglas H. Swenson, serving as Chairman, with R. Brent Anderson, Deborah S. Bayle, and Dale O. Gunther serving as members. The Board of Directors has determined that all of the members of the Compensation Committee are independent directors as defined under NASDAQ Stock Market Rules. The Compensation Committee acts under a written charter adopted by the Board of Directors, which charter can be obtained on our website www.peoplesutah.com. This committee oversees our compensation and employee benefit plans and practices, including our executive compensation plans, and our incentive compensation and equity-based plans. The Compensation Committee annually reviews and approves corporate goals and objectives relevant to the Chief Executive Officer's and Chief Financial Officer's compensation and evaluates the Chief Executive Officer's and Chief Financial Officer's performance in light of those goals and objectives. Additionally, the Compensation Committee reviews and approves the compensation of all other executive officers. Within its charter, the Compensation Committee has the authority to engage the services of outside advisors, experts, and others to assist the committee. Beginning fiscal 2016, the Compensation Committee engaged McLagan as a compensation consultant. This compensation consultant provided information to the Compensation Committee regarding long-term incentive plans, executive compensation and director compensation that were used as components of the overall mix of information used to evaluate our compensation plans. The Compensation Committee reviewed its relationship with McLagan and has determined that its work has not raised any conflicts of interest. This committee met six times in 2018.

Nominating and Governance Committee. The Nominating and Governance Committee consists of Deborah S. Bayle, serving as Chairperson, with R. Brent Anderson, Dale O. Gunther, and Jonathan B. Gunther serving as members. The Board of Directors has determined that all of the members of the Nominating and Governance Committee are independent directors as defined under NASDAQ Stock Market Rules. The Nominating and Governance Committee acts under a written charter adopted by the PUB Board of Directors, which charter can be obtained on our website www.peoplesutah.com. This committee is responsible for developing and implementing policies and practices relating to corporate governance.

In addition, the Nominating and Governance Committee is responsible for developing criteria for the selection and evaluation of directors and recommends to the Board of Directors candidates for election as directors. This committee met twelve times in 2018.

Audit and Compliance Committee. The Audit and Compliance Committee of PUB consists of R. Brent Anderson, serving as Chairman, with Deborah S. Bayle and Douglas H. Swenson serving as members, each of whom have been determined by the Board of Directors to be independent directors as defined under NASDAQ Stock Market Rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Board of Directors has determined that Mr. Anderson and Mr. Swenson are each an “audit committee financial expert,” as defined by the rules and regulations of the SEC. A summary of Mr. Anderson’s and Mr. Swenson’s relevant experience and qualifications can be found in the section labelled “Directors and Other Executive Officers” contained herein.

The Audit and Compliance Committee acts under a written charter adopted by PUB’s Board of Directors, which charter can be obtained on our website www.peoplesutah.com. The Audit and Compliance Committee is primarily responsible for monitoring the integrity of PUB’s financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance and public disclosure of financial information; monitoring the independence and performance of PUB’s independent registered public accountants and internal auditing department; and maintaining free and open communication between the Audit and Compliance Committee, the independent auditors, management, the internal auditing department, and the Board of Directors. It also reviews all potential affiliated transactions from outside vendors and between the affiliates to determine compliance with regulatory rules. This committee met twelve times in 2018.

Enterprise Risk Oversight Committee. The Enterprise Risk Oversight Committee currently consists of Wolfgang T. N. Muelleck, serving as Chairman, with R. Brent Anderson and Jonathan B. Gunther serving as members. The committee oversees all major enterprise risks of PUB. The Committee acts under a written charter adopted by the PUB Board of Directors. The committee is tasked with reviewing all material enterprise risks to PUB and the Bank and reviewing risk mitigation policies. This committee met five times in 2018.

Fintech Committee. The Fintech Committee consists of Matthew S. Browning, serving as Chairman, with Len E. Williams serving as member. The committee provides oversight over the Company’s strategies related to the offering of innovative technology-driven products and services as a separate delivery channel. The Committee acts under a written charter adopted by the PUB Board of Directors. This committee was formed in November 2018 but did not meet in 2018.

Compensation Committee Interlocks and Insider Participation

For the year ended December 31, 2018, our Compensation Committee consisted of R. Brent Anderson, Deborah S. Bayle, Dale O. Gunther, Paul R. Gunther, and Douglas H. Swenson. No Compensation Committee members have at any time been an officer or associate of PUB, except for Dale O. Gunther. None of the members of our Compensation Committee has had any relationship with us of the type that is required to be disclosed as a related-party transaction under Item 404 of Regulation S-K, except as otherwise disclosed in this proxy statement under “Certain Relationships and Related Party Transactions”. In addition, none of our executive officers serves or has served as a member of our Board of Directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Communications with Directors

We have not adopted a formal process for shareholder communications with the Board of Directors. We believe it is appropriate to not have a formal process for shareholder communications with the Board of Directors, because historically we have received such shareholder communications very infrequently. Nevertheless, we have tried to ensure that the views of shareholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to shareholders in a timely manner. We believe our responsiveness to shareholder communications to the Board of Directors has been good. A shareholder may submit any communication with directors to us at our corporate offices, to the attention of Len E. Williams, President and Chief Executive Officer.

Board Role in Risk Oversight

Our Board of Directors is responsible for overseeing the Company's management of risk. The Board established the Enterprise Risk Oversight Committee to effectively oversee the Company's enterprise-wide risk management in a way that balances managing risks while enhancing the long-term value of the Company for the benefit of the shareholders. The Board of Directors understands that its focus on effective risk oversight is critical to setting the Company's tone and culture towards effective risk management. To administer its oversight function, the Enterprise Risk Oversight Committee seeks to understand the Company's risk philosophy by having discussions with management to establish a mutual understanding of the Company's overall appetite for risk. Our Board of Directors through the Enterprise Risk Oversight Committee maintains an active dialogue with management about existing risk management processes and how management identifies, assesses, and manages the Company's most significant risk exposures and expects frequent updates from management about the Company's most significant risks to enable it to evaluate whether management is responding appropriately.

In addition to the Enterprise Risk Oversight Committee, our Board of Directors relies on each of its other committees, other than the Fintech Committee, to help oversee the risk management responsibilities relating to the functions performed by such committees. Our Audit and Compliance Committee periodically discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. Our Compensation Committee helps the Board of Directors to identify the Company's exposure to any risks potentially created by our compensation programs and practices. Our Nominating and Governance Committee oversees risks relating to the Company's corporate compliance programs and assists the Board and management in promoting an organizational culture that encourages commitment to ethical conduct and a commitment to compliance with the law. Each of the board committees is required to make regular reports of its actions and any recommendations to the Board of Directors, including recommendations to assist the Board of Directors with its overall risk oversight function.

DIRECTOR COMPENSATION

We believe that our director compensation packages enable us to successfully recruit and retain talented directors of the caliber needed to effectively direct PUB. We also believe that director compensation should serve to solidify the alignment of the shareholders' interests with that of our Board of Directors and relate to our success.

During 2018, our chairman received \$6,350 per month for his service as chairman of the board and the various committees on which he serves. Our other non-employee directors received a monthly retainer of \$1,500 and additional fees for committees ranging from \$150 to \$500 per meeting on which they serve and for those they chair the fees range from \$3,000 to \$7,000. In addition, except for our chairman, all directors received \$1,500 for each monthly board meeting attended. Beginning in 2018, only non-employee directors received board fees.

These deferred fees are fully vested and nonforfeitable, and such fees will be paid to the director upon the conclusion of the director’s service on the board. BENEFICIAL OWNERSHIP

The following table sets forth information regarding the beneficial ownership of our common shares as of January 31, 2019 by:

- each person, or group of affiliated persons, known to us to beneficially own more than 5% of the outstanding common shares;
- each of our directors and director nominees;
- each of our named executive officers; and
- all of our executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. In computing the number of common shares beneficially owned by a person and the percentage ownership of that person, we deemed outstanding common shares subject to options or other convertible or exercisable securities held by that person that are currently exercisable or convertible, or exercisable or convertible within 60 days of January 31, 2019 (hereinafter referred to as “Additional shares”). Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. The percentage of beneficial ownership is based on 18,789,874 common shares outstanding, plus the Additional shares attributed to that person.

Except as indicated by footnote, and subject to applicable community property laws, the persons named in the table below have sole voting and investment power with respect to all common shares shown as beneficially owned by them. Unless otherwise indicated, the address of each of the individuals named below is c/o People’s Utah Bancorp, 1 East Main Street, American Fork, Utah 84003.

CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in "Executive Compensation" above, we were a participant in certain transactions and relationships with related persons as more fully described below.

Loans to Officers, Directors and Affiliates

The Bank may make loans to officers, directors and associates on terms permitted under Regulation O. We believe the Bank is in compliance with Regulation O and with the Sarbanes-Oxley Act of 2002. All loans made by the Bank to officers, directors or associates are in the ordinary course of business, are of a type generally made available to the public, and are on market terms no more favorable than those offered to persons not related to the Bank, except for the waiver of certain loan fees and a minor reduction in certain loan interest rates as part of a benefit program as allowed by Regulation O. This benefit is widely available to all of our officers, directors or associates of the Bank and PUB and does not give preference to any insider over the other employees. All loans the Bank makes to our executive officers or directors, are subject to prior approval by our Board of Directors, except where such prior approval is not required by law. As of December 31, 2018, we had available lines of credit for loans and credit cards to insiders of \$1.0 million and loans outstanding to insiders of \$5.6 million. As of December 31, 2018, no related party loans were categorized as non-accrual, past due, restructured or potential problem loans. All such loans are currently in good standing and are being paid in accordance with their terms.

Indemnification of Officers and Directors

Pursuant to our bylaws, we may, to the fullest extent permitted by the Utah Revised Business Corporation Act, indemnify our directors and officers with respect to expenses, settlements, judgments and fines in suits (including actions brought against a director or officer in the name of the corporation, commonly referred to as a derivative action) in which such person was made a party by reason of the fact that he or she is or was a director, officer, employee, fiduciary or agent of the Company. No such indemnification may be given if the acts or omissions of the person are finally adjudged to be intentional misconduct or a knowing violation of law, if such person is liable to the corporation for an unlawful distribution, or if such person personally received a benefit to which he or she was not entitled.

We have entered into separate indemnification agreements with our executive officers and directors, in addition to the indemnification provided for in our bylaws. These agreements, among other things, require us to indemnify our executive officers and directors for certain expenses, including attorneys' fees incurred by an executive officer or director in any action or proceeding arising out of their services as one of our executive officers or directors, or as an executive officer or director of any of our subsidiaries or any other company or enterprise to which the person provides services at our request.

Other Related-Party Transactions

Philip Gunther is the son of Dale O. Gunther and is the Chief Credit Administration Officer of PIB. Philip Gunther received \$198,711 for his services in 2018. Philip Gunther is not an executive officer of PUB.

Bruce Gunther is the son of Dale O. Gunther and is the Business Development Director of PIB. Bruce Gunther received \$173,466 for his services in 2018. Bruce Gunther is not an executive officer of PUB.

With respect to these transactions, we have followed the procedures outlined below. In particular, decisions regarding compensation and equity grants were made only by disinterested persons.

Policies and Procedures Regarding Related-Party Transactions

Transactions by the Bank or us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the FRA, and Regulation W (which govern certain transactions between the Bank and its affiliates) and Regulation O (which governs certain loans by us and the Bank to its executive officers, directors, and principal shareholders). The Bank and we have adopted policies designed to ensure compliance with these regulatory requirements and restrictions.

Our Board of Directors has adopted a written policy governing the approval of related-party transactions that complies with all applicable requirements of the SEC and NASDAQ concerning related-party transactions. Related-party transactions are transactions in which we are a participant and a related party has or will have a direct or indirect material interest. Related parties include our current and former directors (including nominees for election as directors) and our executive officers, beneficial holders of more than 5% of our capital stock and the immediate family members of these persons. It is our policy that either the Audit and Compliance Committee or the independent directors of our Board of Directors acting, in executive session, review and approve all related-party transactions, including any loans to our officers, directors and principal shareholders, as well as their immediate family members and affiliates, for potential conflicts of interest. The Audit and Compliance Committee, or the independent directors of the Board of Directors, will consider, among other factors, the related party's interest in the transaction, the materiality of the related-party transaction to us and the related party, whether the transaction with the related party is proposed to be entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party, the purpose of, and the potential benefits to us of, the related-party transaction, the perceived impact on the independence of a director related party and other information regarding the related-party transaction or the related party in the context of the proposed transaction that the Audit and Compliance Committee, or the independent directors of the Board of Directors, deem relevant. If the conflict of interest relates to any member of the Audit and Compliance Committee or any independent director of the Board of Directors, the conflicted person recuses himself or herself from all discussions relating to the conflict of interest. The Chief Executive Officer, or a senior officer designated by the Chief Executive Officer, will resolve any conflict of interest issue involving any other associate.

SHAREHOLDER PROPOSALS

Shareholders may present proposals for action at a future meeting if they comply with SEC rules, state law and our Amended and Restated Bylaws.

Pursuant to Rule 14a-8 under the Exchange Act, some shareholder proposals may be eligible for inclusion in the proxy statement for our 2020 annual meeting of shareholders. These shareholder proposals, along with proof of ownership of our stock in accordance with Rule 14a-8(b)(2), must be received by us not later than December 16, 2019, which is 120 calendar days prior to the anniversary date of when our proxy statement was released to shareholders in connection with the Annual Meeting. Shareholders are also advised to review our Bylaws, which contain additional advance notice requirements, including requirements with respect to advance notice of shareholder proposals (other than non-binding proposals presented under Rule 14a-8) and director nominations.

Our Amended and Restated Bylaws provide that in order for business to be properly brought before an annual meeting by a shareholder, the shareholder must, in addition to any other applicable requirements, give written notice in proper form of such shareholder's intent to bring a matter before the annual meeting, which notice must be received by the Secretary of the Company at the Company's principal executive offices no later than the close of business on the sixtieth (60th) day, nor earlier than the close of business on the ninetieth (90th) day, prior to the anniversary date of the immediately preceding annual meeting; provided, however, that in the event that no annual meeting was held in the previous year or the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the shareholder to be timely must be so received no earlier than the close of business on the ninetieth (90th) day prior to such annual meeting and not later than the close of business on the later of either (i) the sixtieth (60th) day prior to such annual meeting or (ii) the close of business on the 10th day following the day on which notice of the date of the meeting was mailed or public disclosure of the date of the meeting was made by the Company, whichever occurs first. In no event shall the public announcement of a postponement or adjournment of an annual meeting to a later date or time commence a new time period for the giving of a shareholder's notice as described above.

It is recommended that shareholders submitting proposals direct them to our corporate secretary and utilize certified mail, return receipt requested, in order to provide proof of timely receipt. The chairman of the annual meeting reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements, including conditions set forth in our Amended and Restated Bylaws and conditions established by the SEC.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our directors, officers, and persons that own more than 10 percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and shareholders with greater than 10 percent ownership are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

We believe that all Section 16(a) filing requirements that apply to our directors and executive officers were complied with for the fiscal year ended December 31, 2018, other than: Len E. Williams, a director and CEO, Richard T. Beard, a director and former CEO, and Lane Wilson, former Senior Vice President/Chief Sales Officer, each of whom filed one report after the filing deadline due to administrative oversight; and Robert Brent Anderson, a director, and Fred W. Fairclough, Jr., a director, each of whom filed two reports after the filing deadline due to administrative oversight.
