Composition and Classification of Our Board of Directors

Our Amended and Restated Bylaws currently allow for up to fifteen seats on our Board of Directors, twelve of which are currently authorized by our Board. Pursuant to our Articles, our directors are divided into three classes serving staggered three-year terms. Class I, Class II and Class III directors serve until our annual meetings of shareholders in 2017, 2018 and 2016, respectively. At each annual meeting of shareholders, upon the expiration of the term of a class of directors, the successor to each such director in the class will be elected to serve from the time of election and qualification until the third annual meeting following his or her election and until his or her successor is duly elected and qualified. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors serving on our Board of Directors.

Our Board of Directors is currently led by its chairman, Paul Gunther. We believe it is currently in the best interest of the Company and its shareholders to have a person other than our Chief Executive Officer serve in such capacity.

Meetings of the Board of Directors and Its Committees

During 2015, our Board of Directors held 12 regular meetings and one strategic planning meeting. No incumbent director attended fewer than 75% of the total number of Board meetings held during the period for which such director has been a director and committee meetings of which such director was a member. Although we do not have a formal policy of requiring directors to attend the annual shareholders meeting, all directors attended the 2015 annual meeting of shareholders held on September 16, 2015.

Corporate Governance

We will continue to focus on good corporate governance practices. NASDAQ rules define who may be considered an "independent" director, require independent directors to meet periodically in executive session. In addition, PUB has a Code of Ethics, which is available on our website or by contacting Wolfgang T. N. Muelleck, PUB's Chief Financial Officer, at (801) 642-3998. Further actions to enhance our corporate governance mechanisms will be taken as required by law and the exchanges upon which our shares are listed, or as otherwise deemed necessary or appropriate by the Board of Directors, with a continuing focus on high standards of corporate governance.

Independence of Directors

Under the listing requirements of The NASDAQ Capital Market, a majority of our Board of Directors must be comprised of independent directors. Our Board of Directors has determined that a majority of our directors are independent as defined under NASDAQ Stock Market Rules.

Our Board of Directors conducts an annual review of director independence. During this review, our Board of Directors considers transactions and relationships during the prior year between each director or any member of his or her immediate family and PUB and its subsidiaries, affiliates and equity investors, including those reported under “Certain Relationships and Related Party Transactions” below. Our Board of Directors also examines transactions and relationships between directors or their affiliates and members of senior management or their affiliates. The purpose of this review is to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, our Board of Directors has affirmatively determined as of December 31, 2015 that the following directors are independent under NASDAQ Stock Market Rules and under PUB’s general standard of independence: Dale O. Gunther, Blaine C. Gunther, Deborah S. Bayle, Melvin L. Kirkham, R. Brent Anderson, Douglas H. Swenson and William D. Marsh. The remaining directors were determined to not be independent.

Director Qualifications

PUB’s corporate governance guidelines contain criteria considered by the Nominating and Governance Committee in evaluating nominees for a position on its Board. All nominees, including incumbent directors, board nominees and shareholder nominees are evaluated in the same manner. Generally, the Nominating and Governance Committee believes that directors should possess the highest personal and professional ethics and integrity and should have broad experience in positions with a high degree of responsibility, corporate board experience and the ability to commit adequate time and effort to serve as a director. Although we do not have a formal diversity policy, other criteria that will be considered include expertise currently desired on our Board of Directors, geography, finance or financial service industry experience, ethical standards and involvement in the community. The Nominating and Governance Committee also evaluates potential nominees to determine if they meet the required standard of independence (to ensure that at least a majority of the directors will, at all times, be independent).

Pursuant to our Corporate Governance Guidelines, directors of PUB may not serve on the board of another unaffiliated insured depository institution, bank holding company, financial holding company or thrift holding company having operations in any market area in which PUB or any of its affiliated entities has operations while serving as our director.

Shareholder Nominations

The Nominating and Governance Committee, which is responsible of the nomination of candidates for appointment or election to the Board of Directors, will consider, but shall not be required to nominate, candidates recommended by our shareholders. Generally speaking, the manner in which the Nominating and Governance Committee evaluates nominees for director recommended by a shareholder will be the same as for nominees from other nominating sources. However, the Nominating and Governance Committee will seek and consider information concerning the relationship between a shareholder’s nominee and that shareholder to determine whether the nominee can effectively represent the interest of all shareholders. Shareholders wishing to make such recommendation to the Nominating and Governance Committee for its consideration may do so by submitting a written recommendation, including detailed information on the proposed candidate, including education, professional experience and expertise, via mail addressed as follows:

This committee oversees our compensation and employee benefit plans and practices, including our executive compensation plans, and our incentive compensation and equity-based plans. The Compensation Committee annually reviews and approves corporate goals and objectives relevant to the Chief Executive Officer and Chief Financial Officer's compensation and evaluates the Chief Executive Officer's and Chief Financial Officer's performance in light of those goals and objectives. Additionally, the Compensation Committee reviews and approves the compensation of all other executive officers. This committee met nine times in 2015.

Nominating and Governance Committee. The Nominating and Governance Committee consists of Dale O. Gunther, Blaine C. Gunther and Deborah S. Bayle with Dale O. Gunther serving as Chairman. The Board of Directors has determined that all of the members of the Nominating and Governance Committee are independent directors as defined under NASDAQ Stock Market Rules. The Nominating and Governance Committee acts under a written charter adopted by the PUB Board of Directors, which charter can be obtained on our website www.peoplesutah.com. This committee is responsible for developing and implementing policies and practices relating to corporate governance. In addition, the Nominating and Governance Committee is responsible for developing criteria for the selection and evaluation of directors and recommends to the Board of Directors candidates for election as directors and senior management. This committee met twice in 2015.

Audit and Compliance Committee. The Audit and Compliance Committee of PUB consists of R. Brent Anderson, Deborah S. Bayle and Douglas H. Swenson, each of whom have been determined by the Board of Directors to be independent directors as defined under NASDAQ Stock Market Rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Mr. Anderson serves as Chairman of the Audit and Compliance Committee. The Board of Directors has determined that Mr. Anderson and Mr. Swenson are each an "audit committee financial expert," as defined by the rules and regulations of the SEC. For a summary of Mr. Anderson's and Mr. Swenson's relevant experience, see their biographies above.

The Audit and Compliance Committee acts under a written charter adopted by PUB's Board of Directors, which charter can be obtained on our website www.peoplesutah.com. The Audit and Compliance Committee is primarily responsible for monitoring the integrity of PUB's financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance and public disclosure of financial information; monitoring the independence and performance of PUB's independent registered public accountants and internal auditing department; and maintaining free and open communication between the Audit and Compliance Committee, the independent auditors, management, the internal auditing department, and the Board of Directors. It also reviews all potential affiliated transactions from outside vendors and between the affiliates to determine compliance with regulatory rules. This committee met 12 times in 2015.

Enterprise Risk Management Committee. The Enterprise Risk Management Committee consists of Wolfgang T. N. Muelleck, R. Brent Anderson and William D. Marsh, with Mr. Muelleck serving as Chairman. Compensation Committee Interlocks and Insider Participation

For the year ended December 31, 2015, our Compensation Committee consisted of Melvin L. Kirkham, Dale O. Gunther, Douglas H. Swenson and R. Brent Anderson. Except for Dale O. Gunther, none of them has at any time been an officer or associate of PUB. None of the members of our Compensation Committee has had any relationship with us of the type that is required to be disclosed as a related party transaction under Item 404 of Regulation S-K, except as otherwise disclosed in this proxy statement. In addition, none of our executive officers serves or has served as a member of our Board of Directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Communications with Directors

We have not adopted a formal process for shareholder communications with the Board of Directors. We believe it is appropriate to not have a formal process for shareholder communications with the Board of Directors, because historically we have received such shareholder communications very infrequently. Nevertheless, we have tried to ensure that the views of shareholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to shareholders in a timely manner. We believe our responsiveness to shareholder communications to the Board of Directors has been good. A shareholder may submit any communication with directors to us at our corporate offices, to the attention of Richard T. Beard, President and Chief Executive Officer.

Board Role in Risk Oversight

Our Board of Directors is responsible for overseeing the Company's management of risk. The Board established the Enterprise Risk Management Committee to effectively oversee the Company's enterprise-wide risk management in a way that balances managing risks while enhancing the long-term value of the Company for the benefit of the shareholders. The Board of Directors understands that its focus on effective risk oversight is critical to setting the Company's tone and culture towards effective risk management. To administer its oversight function, the Enterprise Risk Management Committee seeks to understand the Company's risk philosophy by having discussions with management to establish a mutual understanding of the Company's overall appetite for risk. Our Board of Directors through the Enterprise Risk Management Committee maintains an active dialogue with management about existing risk management processes and how management identifies, assesses, and manages the Company's most significant risk exposures and expects frequent updates from management about the Company's most significant risks so as to enable it to evaluate whether management is responding appropriately.

In addition to the Enterprise Risk Management Committee, our Board of Directors relies on each of its other committees to help oversee the risk management responsibilities relating to the functions performed by such committees. Our Audit Committee periodically discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. Our Compensation Committee helps the Board of Directors to identify the Company's exposure to any risks potentially created by our compensation programs and practices. Our Nominating and Governance Committee oversees risks relating to the Company's corporate compliance programs and assists the Board and management in promoting an organizational culture that encourages commitment to ethical conduct and a commitment to compliance with the law. All of the board committees are required to make regular reports of its actions and any recommendations to the Board of Directors, including recommendations to assist the Board of Directors with its overall risk oversight function.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

We are asking the shareholders to ratify the selection of Tanner LLC as the Company's independent registered public accountants for the fiscal year ending December 31, 2016. A majority of the votes present in person or represented by proxy at the Annual Meeting is required to ratify the selection of Tanner LLC. Abstentions will have the same effect as votes against the proposal. Broker non-votes will have no effect on the vote for this proposal.

In the event the shareholders fail to ratify the appointment, the Audit Committee will consider it as a direction to select other auditors for the subsequent year. Even if the selection is ratified, the Board or Audit Committee, in their discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year we determine that such change would be in the best interest of the Company and its shareholders.

Tanner LLC audited the Company's financial statements as of December 31, 2015 and 2014 and for the three years ended December 31, 2015. Its representatives will be present at the annual meeting, and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE SELECTION OF TANNER LLC TO SERVE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

DIRECTOR COMPENSATION

We believe that our director compensation packages enable us to successfully recruit and retain talented directors of the caliber needed to effectively direct PUB. We also believe that director compensation should serve to solidify the alignment of the shareholders' interests with that of our Board of Directors and relate to our success.

During 2015, our chairman received \$7,000 per month for his service as chairman of the board and the various committees on which he serves. Our other non-employee directors received a yearly retainer of \$6,000 and additional fees for committees on which they serve and for those they chair. In addition, except for our chairman, all directors received \$1,400 for each monthly board meeting attended.

The following table sets forth for the year ended December 31, 2015, the compensation paid or awarded by PUB to each person who was a director on December 31, 2015.

Employment Agreements

We have entered into employment agreements with Richard T. Beard and Wolfgang T. N. Muelleck, which are described below. We have not entered into an employment agreement with David G. Anderson.

Richard T. Beard

We originally entered into an employment agreement with Mr. Beard, our Chief Executive Officer, in 2004. We entered into a new employment agreement on January 1, 2015 in order to secure his service as Chief Executive Officer and President of PUB and Chief Executive Officer of PIB. This employment agreement terminates December 31, 2017 and will automatically renew if not terminated by either party. For 2015, the Board set the minimum annual salary of Mr. Beard at \$374,340 which is adjusted annually. The employment agreements provide for participation in a bonus based primarily on performance criteria, which for 2015 was \$198,700 or 53.1% of salary. The bonus is set by the Compensation Committee. In addition, his compensation includes 100% of all medical and dental insurance premiums for himself, his spouse and his children under age 26. In addition, Mr. Beard receives the matching 401(k) grants from us as well as his share of any profit-sharing based on his term of employment service and his salary which benefits are available to all associates of PUB and its subsidiaries.

The Board of Directors may terminate the employment agreement at any time with cause or for disability. However, termination following a change in control of PUB would subject us to liability for severance benefits. In the event of a termination following a change in control, Mr. Beard would be entitled to the payment of one year of his then-current base salary and annual bonus that is at least 20% of his then-current base salary and continuation of the medical, dental, life and disability insurance premiums for such period. These same severance benefits would be payable to Mr. Beard if he is involuntarily terminated without cause. A change in control for purposes of the agreement occurs when (i) any person or group of persons acquires 50% or more of the voting shares of PUB's outstanding securities; (ii) PUB enters into an agreement of a reorganization, merger, or consolidation pursuant to which PUB is not the surviving corporation; or (iii) PUB sells substantially all of its assets to a purchaser other than a subsidiary of PUB.

Wolfgang T. N. Muelleck

We entered into an employment agreement with Mr. Muelleck, our Chief Financial Officer, in 2014, in order to secure his service as Chief Financial Officer of PUB and PIB. The employment agreement terminates December 31, 2016 and will automatically renew if not terminated by either party. For 2015, the Board set the annual salary of Mr. Muelleck at \$244,494 which is adjusted annually. The employment agreement provide for participation in a bonus based primarily on performance criteria, which for 2015 was \$106,400 or 43.2% of salary. The bonus is set by the Compensation Committee. In addition, Mr. Muelleck receives the matching 401(k) grants from us as well as his share of any profit sharing based on his term of employment service and his salary which benefits are available to all associates of PUB and its subsidiaries.

The Board of Directors may terminate the employment agreement at any time with cause or for disability. However, termination following a change in control of PUB would subject us to liability for severance benefits. In the event of a termination following a change in control, Mr. Muelleck would be entitled to the payment of one year of his then-current base salary and annual bonus that is at least 20% of his then-current base salary and continuation of the medical, dental, life and disability insurance premiums for such period. These same severance benefits would be payable to Mr. Muelleck if he is involuntarily terminated without cause. A change in control for purposes of the agreement occurs when (i) any person or group of persons acquires 50% or more of the voting shares of PUB's outstanding securities; (ii) PUB enters into an agreement of a reorganization, merger, or consolidation pursuant to which PUB is not the surviving corporation; or (iii) PUB sells substantially all of its assets to a purchaser other than a subsidiary of PUB.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation” above, we were a participant in certain transactions and relationships with related persons as more fully described below.

Loans to Officers, Directors and Affiliates

PUB does not make loans to insiders. From time to time, the Bank makes loans to officers, directors and associates on terms permitted under Regulation O. We believe the Bank is in compliance with Regulation O and therefore, we believe we are in compliance with the Sarbanes-Oxley Act of 2002. All loans by the Bank to officers, directors or associates are made in the ordinary course of business, are of a type generally made available to the public and are on market terms no more favorable than those offered to persons not related to the Bank, except for the waiver of certain loan fees and a minor reduction in certain loan interest rates as part of a benefit program as allowed by Regulation O. This benefit is widely available to all of our officers, directors or associates of the Bank and PUB and does not give preference to any insider over the other employees. All loans to our officers and directors, and the officers and directors of the Bank, are subject to prior approval by our Audit and Compliance Committee. As of December 31, 2015, we had available lines of credit for loans and credit cards to insiders of \$48,000 and loans outstanding to insiders of \$521,000. As of December 31, 2015, no related party loans were categorized as non-accrual, past due, restructured or potential problem loans. All such loans are currently in good standing and are being paid in accordance with their terms.

Indemnification of Officers and Directors

Pursuant to our bylaws, we will, to the fullest extent permitted by the Utah Revised Business Corporation Act, or the Utah Statute, indemnify our directors and officers with respect to expenses, settlements, judgments and fines in suits (including actions brought against a director or officer in the name of the corporation, commonly referred to as a derivative action) in which such person was made a party by reason of the fact that he or she is or was a director or officer, or being or having been such a director or officer, such person was serving as a director, officer, associate or other agent (i) for an enterprise of which we hold the majority of shares entitled to vote in the election of its directors (such as PIB), or (ii) at our request, for another enterprise. No such indemnification may be given if the acts or omissions of the person are finally adjudged to be intentional misconduct or a knowing violation of law, if such person is liable to the corporation for an unlawful distribution, or if such person personally received a benefit to which he or she was not entitled.

We have entered into separate indemnification agreements with our executive officers and directors, in addition to the indemnification provided for in our bylaws. These agreements, among other things, require us to indemnify our executive officers and directors for certain expenses, including attorneys’ fees incurred by an executive officer or director in any action or proceeding arising out of their services as one of our executive officers or directors, or as an executive officer or director of any of our subsidiaries or any other company or enterprise to which the person provides services at our request.

Policies and Procedures Regarding Related Party Transactions

Transactions by the Bank or us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the FRA, and Regulation W (which govern certain transactions between the Bank and its affiliates) and Regulation O (which governs certain loans by the us and the Bank to its executive officers, directors, and principal shareholders). We and the Bank have adopted policies designed to ensure compliance with these regulatory requirements and restrictions.

Our Board of Directors has adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and NASDAQ concerning related party transactions. Related party transactions are transactions in which we are a participant and a related party has or will have a direct or indirect material interest. Related parties include our current and former directors (including nominees for election as directors) and our executive officers, beneficial holders of more than 5% of our capital stock and the immediate family members of these persons. It is our policy that either the Audit and Compliance Committee or the independent directors of our Board of Directors acting, in executive session, review and approve all related party transactions, including any loans to our officers, directors and principal shareholders, as well as their immediate family members and affiliates, for potential conflicts of interest. The Audit and Compliance Committee, or the independent directors of the Board of Directors, will consider, among other factors, the related party's interest in the transaction, the materiality of the related party transaction to us and the related party, whether the transaction with the related party is proposed to be entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party, the purpose of, and the potential benefits to us of, the related party transaction, the perceived impact on the independence of a director related party and other information regarding the related party transaction or the related party in the context of the proposed transaction that the Audit and Compliance Committee, or the independent directors of the Board of Directors, deem relevant. If the conflict of interest relates to any member of the Audit and Compliance Committee or any independent director of the Board of Directors, the conflicted person recuses himself or herself from all discussions relating to the conflict of interest. The Chief Executive Officer, or a senior officer designated by the Chief Executive Officer, will resolve any conflict of interest issue involving any other associate.
